An “Open” application may be submitted previous to the purchase/claim of a horse if the applicant would like to temporarily secure incentive funding before making the purchase/claim. An owner can request an “open” application to the AQHRA Office with intent to buy/claim a horse by the Thursday previous to the weekend of which the buy/claim is to happen. Applicant will have to provide ownership name, date range and location of purchase/claim. By the following Wednesday after the weekend of intent the applicant will have to submit proof of ownership on claim/purchase and claim/purchase price to the AQHRA office to finalize incentive funding. In the event that the application isn’t completed by the Wednesday, the application becomes voided.

If applications are submitted after a purchase/claim the applicant will submit proof of ownership and purchase/claim price with the application.

In the event that the original applicant’s horse is to be replaced (career ending injury, death, or claimed), the owner has 10 business days to replace it or the application goes available to the public again. **\*Vet certificate required with death or career ending injury.**

- **AQHRA has the right to refuse any and all applications. Applicants accept all other terms and conditions relating to the program, which may be amended from time to time.**

Any false statements shall constitute grounds for the application to be denied or benefits received to be repaid.

The decision to approve or disapprove any application shall rest with the AAQHRA and their decision shall be final.

I, \_\_\_\_\_, have read and understand the above-noted terms and conditions.
